1A State Volleyball Champions

The volleyball team competed in the state volleyball tournament after winning the regional championship.

The girls beat the Little Snake River Rattlers for the state championship title!

Brandon Mull Author Visit

Brandon Mull, New York Times best-selling author of the “Fablehaven” books, visited our school on November 6th. He signed books and spoke to the students about his work and cultivating imagination.

Volleyball Assembly

The school hosted an assembly for the volleyball team. All six seniors spoke, along with Head Coach and Athletic Director Kristen Vierig and Assistant Coach Tanya Moyes.

Community members celebrated the state champs while volleyball players rode the fire truck around town.

Veteran's Day Program, Physics Field Trip, and Sadies

In honor of the community's veterans, and veterans around the country, the school held a program on November 9th. Principle Dietz talked about his experience visiting historic WWII sites in Europe, each elementary class performed a patriotic song, and the high school band played the national anthem. Avree Thornock, Evan Dietz, and Brendan Hymer played Taps, followed by a moment of silence.

Below: The physics class took a field trip to the Exxon plant to see how concepts they've studied in class are put into action.
