to-date information.

A Message From...

Dear Parents and Guardians,

It's hard to believe we're heading into April; with all the exciting events the end of the year holds! Please keep a close eye on the calendar, as changes to sports events may occur due to weather conditions.

Several district, state, and national tests will take place between now and the end of the school year. Thank you for encouraging your students to do their best on these assessments. CHS faculty and staff look forward to finishing the year strong.

Track season is always a bit unpredictable. Events can be rescheduled quickly depending on the weather and the availability of other meets, which are often in flux. If you have the opportunity, please come out and cheer on our track athletes as they represent our school and community. Those who have run track before, know it takes hard work and mental toughness to push through the pain and compete at a high level. Good luck to our track teams!

It's time for end-of-year testing. These assessments help determine student placement from junior high to high school, open the door to more rigorous courses, qualify students for scholarships, and guide instructional decisions. Please encourage your students to do their best—ensure they get a good night's sleep, eat a healthy breakfast, and are prepared. The testing schedule is available on the calendar. We're excited to see the success our students will achieve!

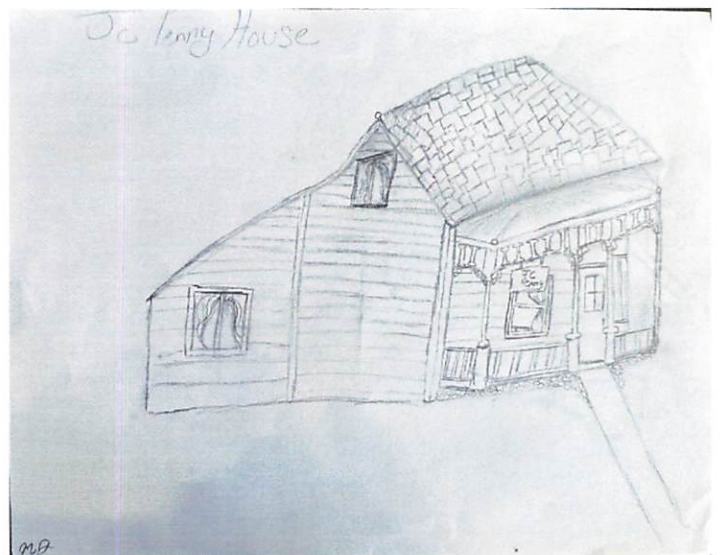

A big thank you to the many community members who supported the musical! It truly takes a team effort to put on a production. From donated treats, found props, volunteer time, and helping students learn their parts and music, your support was essential. We're excited to announce next year's musical: Newsies! It promises to be a fun and energetic show. Feel free to reach out if you have any questions.

As we approach the end of the year, we also look forward to celebrations. Students qualify for these events based on their behavior and academic performance. Please continue encouraging your students in both areas. We look forward to recognizing their success through awards assemblies, reward activities, and conversations that celebrate their hard work.

As always, if you have any questions, please feel free to reach out to CHS or your student's individual teachers.

Best regards,
Kenneth Dietz
Cokeville K-12 Principal

MJ Nate, won third place in the Hamsfork Museum art contest. Students were to research southern Wyoming history and submit an artwork that portrayed that event. MJ sketched a picture of the first JC Penny store. She was awarded a certificate, white ribbon and \$20. We would like to congratulate her on this fun achievement.

Congrats MJ!

A Message From...

A note from the Office- . April is here and we are starting to wind things up for the school year. It's hard to believe. I think time just keeps going by faster and faster.

A couple of things for you to be mindful of.....

There are a few who have signed up for track but still need to pay the fee for it. \$40 for HS track and \$30 for JH track. This needs to be paid asap.

Please remember to sign up for a yearbook at the office or on the online form that Mrs. Nate has sent to each of you. The price is \$55 and it will be online so you can pay for it there or bring money to the school.

The freshmen dinner will be April 11th. Please make sure you get your tickets purchased and support our freshmen as they make money to go to Washington DC. The prom will follow that evening. Hoping for great weather and a fun filled evening.

Hope you each have a wonderful month of April. -Lynne

"April Showers: Brightening the world one flower at a time!"

A note from the Media Center - . April will be a little more laid back in the library. We are going to try to have a few more small activities for the kids to help them continue reading through April. The genre of the month will be Action/Adventure. Kids will continue to get a small treat for reading off the New Release Shelf and the Genre of the Month Shelf. Book Genre Bingo will continue through April as well. We are also trying to proofread and process as many books as possible so we can be ready to order more next fall. - Madi Pauni

A note from the Nurse - . Did you know that the school nurses have a web page on the LCSD2 website? You can find it under "Family and Students," then look to the right and click "Student Health Services" or go to <https://lcsd2.org/student-health/>.

On the Student Health Services page you can find: contact information, school forms, illness guidelines, and much more.- Alisa Pond
