A Message From...

As we move into the heart of the winter season, Cokeville High School is buzzing with activity both inside and outside the classroom. Winter sports are officially underway, and it has been exciting to see our basketball and wrestling teams begin their seasons with energy and determination. We encourage everyone to come out and support our Panthers as they represent our school and community with pride.

We also want to remind families that our Christmas Concert will be held on Tuesday, December 10, 2025, at 7:30 pm in the high school auditorium. Our music students and directors have been working hard to prepare a meaningful and festive performance, and we look forward to celebrating the season together through music.

While we celebrate athletics and the arts, we want to emphasize the importance of staying focused on academic learning as we approach the end of the semester. The final weeks before Christmas break are critical for student progress, completing coursework, and preparing for finals. We appreciate the continued support from families in helping students manage their time, complete assignments, and finish the semester strong.

We also encourage our community to continue supporting our junior high wrestling and girls basketball teams as their seasons move forward. These younger athletes work incredibly hard, and their development is an important part of the long-term success of our programs.

In addition to sports and academics, preparations are underway for our spring high school musical, *Newsies*. Practices are in full swing, and students are dedicating countless hours to bringing this exciting and high-energy production to life. We are proud of their commitment and can't wait to share their work with our community later this year.

As we approach Christmas break, we hope all of our students and families enjoy a well-deserved time of rest, reflection, and celebration together. Thank you for your continued support of Cokeville High School and all of our students.

Go Panthers!

A Message From...

A note from the Office - December is upon us and the school year is flying by. Sports is in full swing now. Practices have started and basketball games and wrestling matches begin the second week in December. If you haven't paid your student's activity fee for the winter sports please bring it to the CHS office. We have our winter Christmas music concert coming up on December 10th. Mr. Burgoyne and Mrs. Cook work hard with our students and it should be good. We have an early release from school on December 23rd. We will release at 11:30 am that day. We hope everyone has a wonderful Christmas and a happy New Year. Let's make 2026 a great one.

Happy Holidays. ~Lynne Pope

A note from the Media Center -

In December we are going to have more little games and activities to get kids to come to the library more. We are going to have a 12 Days of Senior Spotlights board where kids can come in and guess which senior is being highlighted based on their favorite book and Christmas tradition. If they guess right, they can have a little treat. A different senior will be highlighted every day. We are also going to have a Christmas Mad Gab activity. Kids can come get the paper, fill it out, and get a little treat for participating. The reading incentive for the month will be the top 20 kids that test on the most books, and followed the other parameters, will get to have hot chocolate and donuts. - Madi Pauni

A note from the Nurse -

December Health Update from the School Nurse

As we head into this festive season, I'd like to wish all our students and families a healthy and joyful December! This time of year brings lots of excitement — and unfortunately, plenty of germs. Please help keep our school community healthy by reminding students to wash their hands often, cover coughs and sneezes, and stay home if they're not feeling well. Cold weather also means extra layers — encourage children to dress warmly, especially with hats and gloves for outdoor time. If your family needs help with winter clothing, please reach out; we're here to support. Finally, with holiday treats everywhere, it's a great opportunity to talk with kids about balance: enjoying special foods while also drinking water, eating fruits and veggies, getting plenty of rest, and staying active. Wishing you all a safe, cozy, and healthy holiday season!- Alisa Pond

Early Release Dec. 23rd.
Break from Dec. 24 - Jan 4th
Scheduled School Day Back From Break
Jan. 5
