A Message From...

As we move into the final stretch of the school year, there are many exciting events and opportunities for our students to engage, lead, and celebrate their accomplishments. Student Body Elections for next year will take place May 4th–7th, providing an important opportunity for students to demonstrate leadership and have their voices heard. At the elementary, we look forward to World Day on May 7th after school—a wonderful chance for our younger students to explore and celebrate cultures from around the world.

We are incredibly proud of our music program, as our band, choir, and Celebration ensemble all earned superior ratings at festival for the third consecutive year. This level of sustained excellence reflects the dedication of our students and the outstanding instruction they receive. Please also plan to attend the Junior High Music Concert on May 6th at 7:30 p.m. to support our talented performers. Additionally, our track season is in full swing, with regional and state competitions approaching—please continue to check the schedule for any meet updates due to weather or other adjustments.

Academically, WYTOPP testing is underway. We encourage all students to get a good night's rest, eat a healthy breakfast, and put forth their very best effort, as these assessments are an important measure of both achievement and growth. We also look forward to recognizing student success at our Academic Awards Night on May 12th.

Looking ahead, we are excited for several culminating activities. On May 11th, students will travel to Logan for the Lock-In celebration at the fun center. Our juniors will depart on their Washington, D.C. trip on the afternoon of the last day of school—an incredible learning experience made possible through years of preparation and community support. Graduation will take place on May 27th at 6:00 p.m., with practice scheduled in advance—please refer to the school calendar for details.

Finally, we are especially proud to close the year with a meaningful service project on the last day of school. Students will be organized into groups to support families and individuals in our community who could use an extra helping hand. This effort reflects the character and compassion we strive to instill in all of our students.

Thank you for your continued support as we finish the year strong.

Kenneth Dietz

Things to be aware of:

See calendar for updates and summer camps.

Fall Practices start on August 17th - have your physicals done before practices start.

Registration and Fees will be the week of August 17th - please watch your email for the Back to School letter- make sure your email is correct in IC- that is how you will receive the information for fall sports and back to school.

First Day of School - August 24

Have a wonderful summer break - see you in August!

A Message From...

A note from the Office- May is here! This school year has definitely gone by fast. May is a very busy month here at CHS. Please remember to get all fees paid by the last week of school. Yearbook, art, student bills and lunch money all need to be paid before students can check out. We have student body elections going on next week. Our kids have state art happening plus state track is coming right up. Our music department took all superiors at festival last week!! Big shout out to Mr. Burgoyne, Mrs. Cook and the music students. Great Job!!

Our Awards night is coming up on May 12th and then the Athletic Awards night will be May 26th. Graduation is May 27th at 6:00pm in the auditorium. We hope everyone has a great and safe summer. Thanks for a great school year!!- Lynne Pope

A note from the Media Center - May in the library is so busy! We are doing inventory for equipment and books and that pretty much takes all of our time. We will continue to let kids test on books for the month, but we do not have any other games or incentives happening due to how busy it is with wrapping things up for summer. We have had a great year of learning and growing in library! - Madi Pauni

A note from the Nurse -Spring is here, and as we head into the final stretch of the school year, it's a great time to focus on staying healthy, safe, and ready for all the activities that come with warmer weather.

Sun Safety: Spending more time outside? Protect your skin by using sunscreen, wearing sunglasses, and taking breaks in the shade when possible—especially during peak sun hours.

Summer Safety: Whether you're biking, skateboarding, or riding an e-scooter, wearing a helmet is essential. Head injuries are preventable, and helmets make a big difference.

Stay Hydrated: With rising temperatures and increased activity, dehydration can sneak up quickly. Carry a water bottle and aim to drink water consistently throughout the day—especially during sports, workouts, or time outdoors.

Allergies & Asthma: Seasonal allergies can impact focus, sleep, and breathing. If you have asthma or severe allergies, make sure your medications (like inhalers or EpiPens) are up to date and accessible. Check in with the health office if you need support.

Insect Protection: Outdoor activities mean more exposure to insects. Use insect repellent when appropriate and be aware of ticks, especially if you're hiking or spending time in grassy or wooded areas.

Medication Pickup Reminder: If you have medication stored in the health office, it must be checked out with the School Nurse or Secretary by the last day of school. Medications cannot be sent home with students, so plan ahead to avoid disposal.

Finish the year strong, take care of your health, and have a safe, active spring! - Alisa Pond
